

About

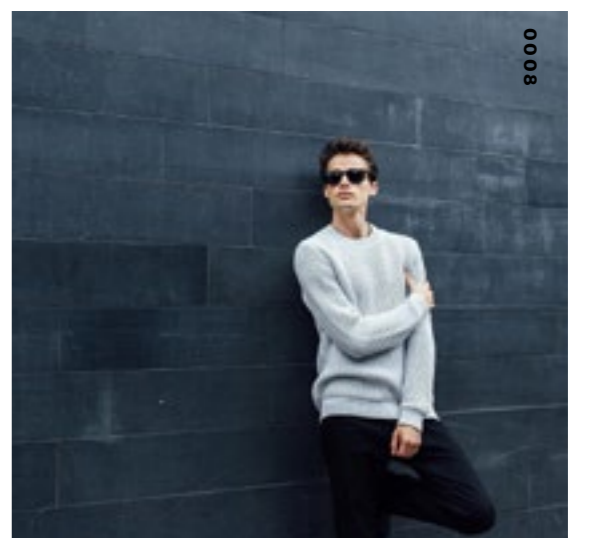

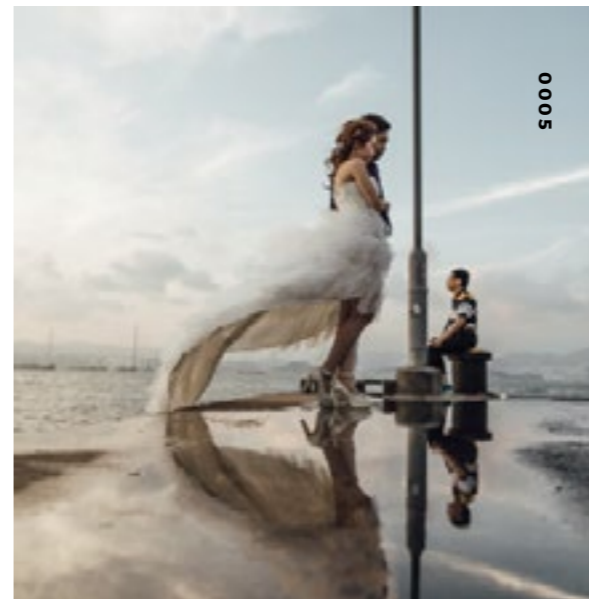

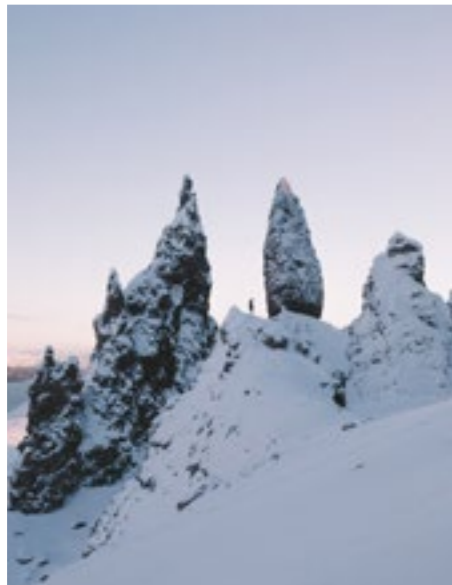

DVSN IS A MULTI-FACETED CREATIVE COLLECTIVE
WITH A PASSION FOR VISUAL STORYTELLING.

Since our inception in 2014 we've worked on a number of projects with brands such as **Ralph Lauren, Red Bull, Tesla, Nokia, Zara** and more. Within DVSN Collective there are writers, directors, photographers and marketing pros whose aim is to create eye-catching content by melding ideas and values that would be unachievable on an individual basis.
